TOP 5 CAREER RECOMMENDATIONS

1. ★★☆☆☆☆ **BSc Physics (Faculty: Faculty of Natural Sciences)**

Academic Alignment Index: 65.8 (Good Fit)

Why This Match:

Your strong Intellectual (76%) and Behavioral (53%) scores align well with BSc Physics's requirements. Your CIR RIASEC profile indicates strong fit for this field's work style. Your academic readiness (64%) is adequate with room for development through bridging programs.

Career Paths: Various career opportunities available

2. ★★☆☆☆☆ **BSc Chemistry (Faculty: Faculty of Natural Sciences)**

Academic Alignment Index: 65.6 (Good Fit)

Why This Match:

Your strong Intellectual (76%) and Behavioral (53%) scores align well with BSc Chemistry's requirements. Your CIR RIASEC profile indicates strong fit for this field's work style. Your academic readiness (64%) is adequate with room for development through bridging programs.

Career Paths: Various career opportunities available

3. ★★☆☆☆☆ **BSc Mathematics (Faculty: Faculty of Natural Sciences)**

Academic Alignment Index: 65.0 (Good Fit)

Why This Match:

Your strong Intellectual (76%) and Behavioral (53%) scores align well with BSc Mathematics's requirements. Your CIR RIASEC profile indicates strong fit for this field's work style. Your academic readiness (64%) is adequate with room for development through bridging programs.

Career Paths: Various career opportunities available

4. ★★☆☆☆☆ **BSc Computer Science (Faculty: Faculty of Natural Sciences)**

Academic Alignment Index: 64.7 (Good Fit)

Why This Match:

Your strong Intellectual (76%) and Behavioral (53%) scores align well with BSc Computer Science's requirements. Your CIR RIASEC profile indicates strong fit for this field's work style. Your academic readiness (64%) is adequate with room for development through bridging programs.

Career Paths: Various career opportunities available

5. ★★☆☆☆☆ **BSc Biological Sciences (Faculty: Faculty of Natural Sciences)**

Academic Alignment Index: 64.3 (Good Fit)

Why This Match:

Your strong Intellectual (76%) and Behavioral (53%) scores align well with BSc Biological Sciences's requirements. Your CIR RIASEC profile indicates strong fit for this field's work style. Your academic readiness (64%) is adequate with room for development through bridging programs.

Career Paths: Various career opportunities available

NEXT STEPS

- Schedule appointment with UWC Career Services to discuss recommendations
- Research recommended programs: course structures, career outcomes, admission requirements
- Consider job shadowing or informational interviews in top 2-3 fields
- Prepare for National Benchmark Tests (NBTs) targeting requirements for your chosen fields
- Explore funding options: NSFAS, corporate bursaries, scholarships

IMPORTANT DISCLAIMER

This report provides preliminary career guidance based on your CareerQuestXR assessment. It should be used as ONE input in your decision-making process, alongside:

- Your personal interests and values
- Feedback from teachers, counselors, and family
- Academic performance in relevant subjects
- Financial considerations and funding availability

CareerQuestXR is a proof-of-concept research system requiring further validation. Recommendations are not guarantees of success. All career decisions remain your responsibility.

For questions or concerns, contact your school's career guidance counselor or UWC Career Services.
